

Race to be a GREEN CHAMPION

You forgot to switch off the air conditioner!

You threw away the plastic bags instead of reusing them.

FINISH

Wow! You are growing your own food in an edible garden!

You brought your own reusable straw. Good job!

Oh no! You left the tap on while brushing your teeth.

You rinsed the items before placing them in the recycling bins.

You ordered too much food and had to throw the leftovers away.

You left the lights on when you left the room.

Nice job upcycling the plastic bottle!
